## **UN Global Compact Grace Period Letter**

Dear Sir and Madam,

we are aware that an important requirement for participation in the UN Global Compact is the annual preparation and Communication on Progress (COP), which includes a statement by the CEO of continued support for the support of the UN Global Compact, a description of practical actions taken with respect to the principles of the UN Global Compact, and a measurement of results or expected results.

We are behind schedule in preparing, sharing and publishing our COP report due to an unforeseen severe wave of illness that left us without key managers to produce the report in form and quality we requested.

We hereby request an extension of time to be able to publish a COP report that reflects our company's efforts and our company's progress in implementing the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website no later than May 24, 2022.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Sylvana Bauer". The signature is stylized with a large, looped initial "S".
