

March 10, 2022

To Our Stakeholders:

Tidewater Inc. recognizes that a key requirement for its participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that is comprised of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are moving the posting of our COP report in order to ensure alignment with the release of our 2021 Sustainability Report, which will be issued concurrently with our 2022 Proxy Statement.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress toward implementing the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website no later than May 30, 2022.

Sincerely yours,

TIDEWATER INC.
