

COMMUNICATION ON ENGAGEMENT (COE)
Organization Earth – Greece
(Non Business Entity)

Period covered by this Communication on Engagement
From: 2019/03/20 To: 2021/12/20

2021 -12 - 21

To our stakeholders:

I am pleased to confirm that **Organization Earth** reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

During the aforementioned period of reporting our organization continued supporting the UN Global Compact and its Principles, especially through our active engagement in the establishment of the Greek Chapter where we also hold a seat at the local BoD. In addition, we sponsored or organized a variety of awareness and engagement activities regarding the 10 Principles and the SDGs. For example the public event titled "**SDGs: Hype or Hope?**" that took place on September 25th 2019, on the 3rd anniversary of the global adoption of the SDGs, where we invited representatives from the Greek civil society, local policy makers as well as the UNGC network to an open discourse regarding the progress and value of implementing the SDGs.

We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Constantinos Machairas
Member of the Board of Directors
