To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a COE statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measure of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the busy period.

We hereby ask for an extension period in order to be able to post a COE that describes our institution's efforts and progress to implement the principles of the UN Global Compact. Our COE report will be posted on the UN Global Compact website by 04/07/2022 at the latest.

Sincerely Yours,

Muammer KESK N
