To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to an investigation into accounting matters related to the booking of provisions and accruals during the financial years 2020 and 2021. As a consequence, the publication of the Integrated Report 2021 and the Annual General Meeting of shareholders (AGM) will be postponed beyond the scheduled dates. Further information can be found on our website.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 17th at the latest.

Sincerely yours

Mr. Alessandro Canalis
