To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress report (COP) that includes a CEO statement of continued support for the UN Global Compact, a description of actions regarding the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, posting, and sharing our COP due external factors. Thus, we ask for an extension period to be able to post a COP that describes AART architects' effort and progress to implement the principles of the UN Global Compact. Our new COP will be posted on the UN Global Compact website by June 1, 2022, at the latest.

Best regards
