**SUBJECT: Request for change of reporting cycle for COP submission**

Pakistan Petroleum Limited (PPL) became a signatory to the United Nations Global Compact in 2006, the time when the compact's local network was established in Pakistan.

Since then, PPL has been regularly submitting annual Communications on Progress (COP) together with MD & CEO's statement, endorsing the company's commitment to UNGC's 10 principles as well as sharing on-ground progress.

In order to report progress on the 10 UNGC principles for the complete year, we need to change the COP submission deadline to align it with the company's fiscal year.

For this, we request you to please change PPL's UNGC reporting cycle from the current deadline of April 2, 2022, to the revised deadline of December 31, 2022, enabling us to submit a comprehensive progress report.

Yours faithfully,
