

I. INTRODUCTION

Service to Community is the manifestation of the SUC's (Skyline University College) commitment towards society and its social responsibility. Services to Community are defined as contribution by the faculty members, staff and students of SUC towards the society in a meaningful manner satisfying the core philosophy in line with the vision and mission of SUC. The Community Services Committee provides an opportunity to faculty, staff and students to engage in achieving their responsibility towards the society through their skills, knowledge and values.

II. GOALS

- A. To encourage and involve faculty, staff and students to enhance brand value of SUC.
- B. To encourage faculty, staff and students to contribute to community development activities.
- C. To invite and encourage faculty, staff and students to initiate and actively participate community services.
