To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication of Engagement (CEO) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COE report due to 18 November 2021. We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress to implement the principles of the UN Global Compact.

Our delay was because after covid-19 some people inside our organization work remotely and by today we are restoring completely the operations of our organization, we hope you understand our apologize.

Our new COE report will be posted on the UN Global Compact website by the end of April at the latest.

Sincerely yours,

Mr. Gerson Caleb Padilla

President of Un Pulmón Más
