To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to the ongoing burden and impact that the global pandemic, and the recent crisis affecting Europe, have had on our staff and resources.

We hereby ask for an extension period in order to be able to post a COP that describes our organisation's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by 1 July 2022 at the latest.

Sincerely yours,
