UN Secretary General

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to recent COVID-19 crises and other setbacks we were not able to get our profile ready.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by [ENTER DATE HERE, MAX.. 90 DAYS FROM CURRENT DEADLINE] at the latest.

Sincerely yours,
