

Communication on Progress (COP)

Annual report addressing the organization's commitment
towards the 10 principles of United Nations Global Compact
(UNGC)
2021

Mabroc Teas (Pvt) Ltd

Sri Lanka

Message from the Managing Director

To our stakeholders

I am pleased to confirm that Mabroc Teas (Pvt) Ltd reaffirms its support of the 10 principles of United Nations Global Compact (UNGC) in the areas of Human Rights, Labour, Environment and Anti – corruption.

In this annual communication on progress, we describe our actions to continually improve the integration of the UNGC and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely Yours

Niran Ranatunge

Managing Director,

Mabroc Teas (Pvt) Ltd.

Mabroc Teas acting responsibly in four important issues Human Rights, Labour, Environment and Anti-corruption

HUMAN RIGHTS

- Our workers are provided with safe, suitable and sanitary work facilities. This includes following upgraded facilities:
 - Modern toilet facilities with clean urinals and commodes (Separate toilets for male and female workers)
 - Separate shower rooms for male and female workers.
 - Separate rest rooms for male and female workers.
 - Clean and upgraded lunch room with hand washing facilities.
 - Provision of clean personnel protective equipment (PPE) such as uniforms, overalls, shoes, gloves, arm guards, hair caps and shoe covers on a daily basis.
 - Daily sanitary checkups of each worker by the supervisors
 - Medical checkup of workers by company's doctor on a weekly basis. Keep separate medical record file for each worker. Annual medical check-up and updating of medical files.
- In addition to the above, we have implemented additional sanitary steps against the COVID pandemic to ensure the health and wellbeing of our workers.
 - Provision of disposable masks, vitamin C tablets and herbal remedies for steam inhalation and consumption daily.
 - Daily worker temperature monitoring at 4 hours intervals.
 - Provision of clean and healthy meals for workers during the COVID pandemic.
 - Provision of transportation to workers, to avoid public transport during the pandemic.
- In addition to that we have conducted several covid awareness and covid vaccine awareness programs.
- Going one step forward, we are doing following CSR work annually, to ensure the wellbeing of our workers as well as their families.
 - Washroom facilities for selected employees
 - Providing electricity facilities for the house of selected employee
 - Dry rations to manual grade employees- yearly
 - Donation of books to Mabroc staff – Yearly
 - Providing dry ration to manual grade employees during the curfew in Covid pandemic season

- Further we take every opportunity to ensure the human rights of the community we serve.
 - Right for education: building a Digital classroom in Katarampura in order to move with the distance learning.
 - Right for education: Sathdiyawara book donation to a under privileged school in Anuradhapura.

- We have taken measures to protect workers from physical, verbal, sexual and physiological harassment, abuse or threats.
 - We have set values in the organizational culture to ensure that all the workers follow an ethical behavior to avoid any type of physical, verbal, sexual and physiological harassment, abuse or threats. These values are communicated to new workers during the orientation process and to existing workers through periodical training sessions.
 - We have set up suggestion boxes in two convenient places, where any worker can put notes with their complaints/issues/new suggestions anonymously. This box is opened on a monthly basis in the presence of management, and necessary actions/solutions/adjustments taken.

- We have taken measures to eliminate ingredients, designs, defects or side effects that could harm or threaten human life and health during manufacturing.
 - Our products does not include any harmful ingredient/ chemicals
 - Our process does not include any harmful ingredients/ allergens/chemicals etc
 - Workers are properly trained to operate machines such as tea bag machines and tea blending machines.
 - Notices and alarm notices/ sign boards are placed where necessary.
 - Fully implemented fire evacuation system in place and frequent fire drills in place.
 - Health and safety team including workers of all categories, first aid training to workers.

- We have made a Donation to The Archbishop of Colombo to Renovate Holy Rosary Church in order to support the rights for the religion.
