Statement of continued support for the United Nations Global Compact

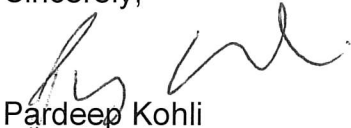

I am pleased to confirm, on behalf of Mavenir, our continued support of the United Nations Global Compact and its Ten Principles on human rights, labor, environment and anti-corruption.

We strive to make the UN Global Compact and its Ten Principles part of the strategy, culture and day-to-day operations of our company. We are also engaging in projects that advance the broader development goals of the United Nations, including the Sustainable Development Goals (SDGs).

Mavenir's objective - to build the future of networks and transform the way the world connects - provides a foundation for realizing the Ten Principles by fostering communication among individuals, enterprises and governments.

Mavenir is committed to continuing to work with the UN Global Compact, supporting the Ten Principles, and contributing to the SDGs.

Sincerely,
