

14th of April

Barcelona, Spain

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We need two more weeks to post our COP report this year due to pending information to prepare it properly.

We hereby ask for an extension period in order to be able to post a COP that describes our company's effort and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by end of this month latest.

Sincerely yours,

PRODUCT
