SUSTAINABILITY POLICY

Deepak Care Limited and its subsidiaries are committed to sustainability and consider environmental protection, accountability, transparency and inclusiveness as the facets to sustainable development.

As a responsible corporate citizen the company is constantly engaged in delivering value to its stakeholders through its promise of caring, sharing and growing.

The nature of our activities defines resource efficiency, environmental protection, occupational health and safety as significant components for long term sustainability of our business and we stand committed to these.

We are a part of the society and acknowledge our responsibility as a good corporate citizen. We endeavor to have an open dialogue with all our stakeholders and adopt structured plans to bring progressing social change through strategic multi-stakeholders partnerships.

We intend to be a noteworthy force in integrating sustainability across our business.
