

19 April 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are proud of our work towards the UNGC's set of core values and principles and look forward to sharing our progress made over the last year. To ensure our report clearly articulates our progress, we are hereby requesting for an extension of the deadline. Due to COVID 19, we have been confronted with additional workload that has prevented us the timely collection and evaluation of data.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 5 August 2022 at the latest.

Sincerely yours,

Francesca Cocozza
