

NRC Group ASA, Norway, COP for 2021

NRC Group ASA joined Global Compact in 2021 and has thereafter worked actively to integrate the Ten Principles as part of our business. Our work has progressed successfully, and the results are presented in our sustainability report we have published on our external website. I am pleased to confirm that NRC Group ASA will continue the work to develop our business aligned with the principles of Global Compact and will communicate the progress with all our stakeholders using our primary communication channels.

Yours sincerely,

Henning Olsen
CEO NRC Group ASA
