## COMMUNICATION ON ENGAGEMENT (COE) 22 April 2022

To

our stakeholders:

I am pleased to confirm that AVOID ACCIDENT reaffirms its support to the United Nations Global Compact and its SDG goals Goal No 3.6. By 2020, halve the number of global deaths and injuries from road traffic accidents and Goal no. 11.2. By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

In this Regards Avoid Accident has been continuously working for analysis , improvement and awareness of road safety concerns and injury prevention measures in close association with public participation and policy makers .

We have proudly spread the networks and delighted to be delegate for Asia in International Road Victims' Partnership a proud member of United Nations Road Safety Collaboration UNRSC .

We have successfully represented the road safety concerns and recommended suggestion not only to the national but also to the international policy makers.

Sincerely yours,  
Harpreet Singh Dhunna
