

26.04.2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in posting our COP report due to the need for additional time to measure the results of our company's efforts and plan the next expected results.

We hereby ask for an extended period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by the 06th of June 2022 at the latest.

Sincerely yours,

  
Ms. Krasimira Koeva
