To our stakeholders:

We recognize that a key requirement for participation in the Global Compact is the annual preparation and posting of Communication on Progress (COP), that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and measurement of outcomes or expected outcomes.

We are late in creating and sharing of our report COP due to the preparation of our 2021 Corporate Report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP will be sent to the site of the Global Compact on 31 May 2022 at the latest.

Sincerely yours,
