To our stakeholders:

Bharti Airtel Limited recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This is to notify you that our Annual Integrated Report is released by end of July/ August every year. A key part of Airtel's Communication on Progress (COP) will be our Integrated Report, which details our performance in these areas. Therefore, we would like to align our COP submission deadline to our annual reporting cycle. We hereby request our COP deadline to be adjusted to 30th September every year.

Sincerely yours,
