

## **Grace letter GLOBAL COMPACT**

We are behind in creating, sharing and publishing our CAP report due to high activity and the fact, we need additional time to complete our CAP report.

We hereby request an extension so that we can publish a COP report that describes our company's efforts and progress in implementing the Charter Principles and our company's progress in implementing the UN Global Compact Principles.

Our new COP report will be published on the UN Global Compact website by September 6, 2022.

Yours sincerely

A Genay
