Statement of continued support for the United Nations Global Compact

In May 2020, SpareBank 1 Nordmøre joined the United Nations Global Compact. Our mission is to create value and sustainable development for our clients, owners and our community. Social responsibility is an integrated part of our business. Therefore, SpareBank 1 Nordmøre wants to continue its support to the UN Global Compact.

The bank does its best to operate in line with the ten fundamental principles of the Global Compact. Human rights, labour standards, the environment and anti-corruption play an important role in our social responsibility efforts.

A more detailed description of our performance in relation to the ten principles is included in our Communications On Progress (COP). The COP is integrated in our GRI-index in the Banks' annual report on bank.no.

Best Regards
