Dear Mr. Secretary-General,

BlackBerry was founded, in 1984, with a clear purpose, which has advanced the world's ability to connect, securely. We continue to live our purpose every day through our business operations and technology innovations.

BlackBerry joined the United Nations Global Compact in 2019 and committed to supporting the Ten Principles on human rights, labor, environment, and anti-corruption. We also committed to advancing the 17 Sustainable Development Goals (SDGs).

Today, we are pleased to reaffirm our commitments, and release our inaugural Environmental, Social, and Governance (ESG) report outlining how BlackBerry is advancing the 17 SDGs.

Sincerely,
