

Grace Period Letter

16 May 2022

To Whom It May Concern,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a change of personnel in charge of creating the report, which has limited our capacity to finalise and submit the report on time.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15 August 2022 at the latest.

Sincerely yours,

Mr Loic Bistuer,

CEO Newlogic Pte. Ltd.
