Part II. Description of Actions

- Confederation of International Healthcare Foundation (CIHF) is an independent, non-government, not for profit organization that endeavors to leverage corporate, employee & leadership talent for healthcare development, education for community development & social wellbeing. The basic objective of CIHF is to provide a common platform for all its members to discuss and develop a continuously improving, self-regulating, healthcare delivery system for the benefit of all. CIHF through its corporate gifts and employee giving campaigns seeks to successfully engage the corporate sector into meaningful Social Responsibility structures bringing about a positive and lasting change in the society at large.
- As a guideline for engagement, CIHF strongly supports United Nation's Global Compact Program and Earth Charter Principles as well as it strongly follows United Nation's Sustainable Development Goals 2030. CIHF advocates world peace through its sister concern, World Peace & Diplomacy Organization (WPDO).
- CIHF is a strong member of UNGCN, India for last 5 years and it involves UNGC doctrines and norms in all its multifaceted social and corporate events by the virtue of which it tries to engage them in its endeavors to support UNSDG 2030 and UNGCN.
- Apart from this, CIHF is engaged in promoting and encouraging healthcare industry globally. It works as an efficient liaisoning body among the members, other hospital associations and government bodies within the region. Confederation of International Healthcare Foundation has been actively involved in promoting Indian Healthcare worldwide.
- CIHF's sister concern, which was founded from it in 2009 through the Board Resolution, Confederation of International Accreditation Commission (CIAC Global), is an international, non-governmental, private, self-financed, Quality Assurance Rating & Accrediting body. With its global presence, extensive network of experts and over 13 years of experience, CIAC had earlier grown essentially into three domains- education, healthcare and wellness. It has now recently launched its service domain, called, CIAC Better Business Practices or BBP. CIAC BBP is a way of doing business that takes into accounts the business practices which have been matured over the years to give a pollution free output to industrial units and prompts them to increase efficiency of their business.
