To whom it may concern,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We apologize as were late in creating, sharing and posting our COP report due to our busy agenda with the grant from the Ministry of Education of the Republic of Indonesia, curriculum development, international accreditation application, and new innovative course development.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31 August 2022, which is the maximum 90 days from COP deadline, at the latest.

Thank you for your kind attention and understanding.

Sincerely yours,

Dr. Putu Anom Mahadwartha, S.E., M.M., CSA.
