UN Global Compact Communication on Engagement (COE)

Bremen, 17 May 2022

Dear Sir or Madam,

we are a non-business participant (academic) of the UN Global Compact network since 2013 and we are pleased to express our continued support for the Global Compact and to renew our ongoing commitment to the initiative and its principles.

Following the periodical disclosure requirement, we would like to inform stakeholders about our effort to support the ten principles of the Global Compact. Our main focus is on the „Environment“ (principles 7-9) as well as on Sustainable Development Goal 14: Conserve and sustainable use the oceans, seas and marine resources and Goal 16: Promote just, peaceful and inclusive societies.

We support primarily the above principles in three activities:

- Research
- Teaching
- Science Transfer (Open Science)

The activities may be found on our website at www.isrim.de.

Yours sincerely,

Prof. Dr. Andree Kirchner
