Dear Mr. Secretary-General,

I am pleased to confirm that United Overseas Bank Limited (UOB) reaffirms our support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

We are committed to integrating the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to engaging in partnerships to advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

The UOB Sustainability Report (SR) 2021, published in April 2022, provides the relevant information for our first annual Communication on Progress (CoP) and describes the actions we have taken to implement the Ten Principles. The UOB SR 2021 was prepared in accordance with the Global Reporting Initiative (GRI) Standards – Core Option, GRI G4 Financial Sector Disclosures and was subject to an external assurance process.

We will continue to report on progress annually according to the Global Compact CoP policy.

Our Sustainability Reports can be accessed on <https://www.uobgroup.com/investor-relations/financial/group-annual-reports.html>.
