GRACE LETTER

May 17th, 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the Annual preparation and posting of a Communication on Progress (COP) that comprises Of a CEO statement of continued support for the UN Global Compact, a description Of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to the team being committed to finalizing our Annual Sustainability Report, which will also be used to show evidence for Communication on Progress.

We hereby ask for na extension period in order to be able to post a COP that describes our company's efforts and progress to implemente the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 1st 2022 at the latest.

Sincerely yours,
