► Communication on Progress 2021

I am pleased to confirm that Norconsult reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of human rights, labour, environment and anti-corruption.

In this, our first annual Communication on Progress, we describe how we integrate the Global Compact and its principles into our business strategy, culture and daily operations.

We are also committed to share this information with our stakeholders using our primary channels of communication

Best regards

Norconsult AS
