

Grace Letter Gaetano Aloisio & Co. Srl

May 27<sup>th</sup> 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to it is the first time we are filling out the COP and we want to be absolutely accurate in the declaration, so we will use the additional time to better investigate our progress and communicate it thoroughly.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 27<sup>th</sup> 2022, at the latest.

Sincerely yours,

Simone Botta
