Communication on Progress 2021

Dear Mr. Secretary-General

I am pleased to confirm that TIP continues to support the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our progress in advancing those principles within our sphere of influence. We have made the UN Global Compact principles an integral part of our business strategy, day-to-day operations and organizational culture of our company. We have incorporated them in decision-making processes at the highest levels.

In this report, we will describe the practical actions that we have taken to implement the UN Global Compact principles in each of the four issue areas (human rights, labour, environment, and anti-corruption). We will do this by disclosing any relevant policies, procedures and activities that we have undertaken.

We will then disclose the outcomes of these policies, procedures and activities which helped us meet our targets and which indicate our performance.

We support public accountability and transparency, and therefore we provide this report on our progress.

Sincerely yours,

Mr. Robert Alain Fast
President and Chief Executive Officer
