

31 May 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Asahi Printing issues an Annual Securities report by June 30 every year. We reviewed the CSR Report issuance cycle and decided to issue it after the securities report was issued. To enable us to align our UNGC COP, and CSR reporting, we request a change in our annual COP date to 31 July each year.

We want to align our COP deadline with our internal reporting cycle. We hereby request our COP deadline to be adjusted to 31 July 2022.

Sincerely yours,
