Subject: Grace Letter for deadline extension / COP 2021

Through this letter, CORPORACIÓN MEDCOM PANAMÁ, S.A., member of the Global Compact since 2002, formally requests an extension of the date to deliver the Communication on Progress, corresponding to 2021 period.

The reason for the delay is the reduction of our work team, which has complicated several internal processes of the organization.

We hereby ask for an extension period in order to be able to share our COP report that will be posted on the UN Global Compact website by September 20, 2022.
