Dear our stakeholders,

I am pleased to confirm that KLCCP Stapled Group supports the Ten Principles of the United Nations Global Compact on Human Rights, Labour, Environment and Anti-Corruption. In this communication, we express our intent to implement those principles.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and day-to-day operations of our company. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

For KLCCP Stapled Group
