Dear Stakeholders,

I am pleased to confirm that Comwell reaffirms its support of the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Peter Schelde
CEO/Managing Director
