Statement of Continued Support by the Chief Executive

June 7th, 2022

To our stakeholders,

I am pleased to confirm that AIESEC US Inc. reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labor, Environment, and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Description of Actions:

We are committed to work towards the United Nations and its Ten Principles and have demonstrated this through the following:

- Attract youth participants to the UN Global Compact through awareness on events and activities.
- Creating international exchange opportunities for young people to develop leadership capacity through practical learning in challenging environments.
- Hosting and delivering events and talks related to the Ten Principles.
- Providing resources to 16 local chapters at universities to promote and discuss ways forward for the Sustainable Development Goals.

Measurement of Outcomes:

- Annual conferences that focus on the areas of the Ten Principles and bring together like-minded organizations (3 total for the period measured).
- 14 global internship opportunities created in 2021 with businesses in the United States where we aligned on shared values and created a workplace of high integrity and equal right to professional development.
- 279 J1-visa sponsored interns and trainees between June 1st, 2021 and June 7th, 2022 contributing to cross-cultural understanding.
- 38 global volunteer opportunities created in 2021 with non-profit organizations and camps in the United States to further the development of quality education, climate action, and so forth.
- 200+ members entered the organization and planned to contribute to the 17 Sustainable Development Goals.
