To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COE report due to certain unforeseen circumstances.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 29th August 2022.

Kindly acknowledge the letter and grant the grace period, and I assure that we will submit our COE within the increased due time.

Sincerely yours,
