Subject UN Global Compact – Communication on Progress

Dear Mr. Secretary General,

Following our initial registration and membership of the United Nations Global Compact ('UNGC') in December 2011, I am pleased to confirm that ASR Nederland N.V. reaffirms its continued support of the Ten Principles of the UNGC in the areas of Human Rights, Labour, Environment and Anti-Corruption.

ASR Nederland N.V. wants to make a clear statement of this commitment to its stakeholders and the general public. We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP).

In this our 11th annual COP we describe our actions to integrate the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

On behalf of ASR Nederland N.V. employees, very truly yours,

Yours sincerely,

ASR Nederland N.V.
