To our Stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report, due to the workload related to the anti-corruption compliance.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 23rd October 2022 at the latest.

Sincerely yours,

Mauro Annibali
(Responsible for anti-corruption and transparency)
