

Ancona, 20th June 2022

To our stakeholders

Dear All,

we recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

1

We are late in creating, sharing and posting our COP report due to the change of corporate structure, which will expire at the end of June 2022 and will see a single shareholder in VeSTA.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by the 23rd of September 2022 at the latest.

Sincerely yours,

Simone Francesco Matteo Fedeli
