

Brussels, 16<sup>th</sup> June 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

In line with our previous communication, after having joined the Cewater International Group in October 2020, Transtec operated a name change to "Cewater International" and in this framework the Group will submit one CoP by the deadline set for Cewater International Inc. at the latest.

Sincerely yours,

Mrs Marie-Astrid Corbisier  
Managing Director
