

June 20, 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions regarding the UN Global Compact principles, and a measurement of outcomes.

We ask for an extension to share our COP. The AMD COP will be comprised of the AMD 27th annual Corporate Responsibility Report scheduled to be released in the third quarter of 2022. Therefore, our COP report will be posted on the UN Global Compact website no later than October 10, 2022.

Sincerely,
