About the COP Self-assessment

Using this online questionnaire you will have the opportunity to assess what commonly accepted best practice your COP describes under each of the GC Advanced criteria, in the following areas:

- Corporate Sustainability Governance & Leadership
- Implementing the Ten Principles into Strategies & Operations in the areas of:

  Human Rights
  Labour
  Environment
  Anti-Corruption

- UN goals and issues

In order for your COP to qualify for the GC Advanced level, you must select at least one best practice for each of the criteria. If you do, the COP will automatically qualify for the GC Advanced level and the results of the self-assessment will be made public on the Global Compact website, alongside your COP. If you cannot confirm, the COP will be

accepted but it will not qualify for the GC Advanced level. However, the results of the self-assessment will be made public on the Global Compact website, alongside the COP, to improve the analysis of the COPs and underlying performance.

Note: Throughout the self-assessment, best practices marked with ⓘ indicate additional information is available for that item.
