

## GRACE LETTER

**IFOOD.COM AGENCIA DE RESTAURANTES ONLINE S.A.**

June 15th, 2022.

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because we are preparing our first Sustainability report and advancing with the SDGs, and we would like to use it in our first COP. The Sustainability Department was born at iFood just over a year ago, along with our public commitments, and we are happy and excited about our advances. As we do not want to leave any information out of the reports, the extension of the deadline is important for us to be able to deliver the complete material, which is scheduled for the month of September. We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 20, 2022 at the latest.

Sincerely yours,
