

Citrofrut COP Grace Letter

July 27, 2022.

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions about the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This year, Citrofrut will not be able to meet the deadline for the communication and publication of our COP because it is our first report and we are still reviewing the objectives and goals, in addition to the final translation.

We hereby ask for an extended period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 15, 2022, max. 90 days from the COP deadline at the latest.

Sincerely yours
