

June 29th, 2022

Dear stakeholders and friends,

We hope you are all well.

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

While our efforts in this vein are deeply considered and extensive, we feel that our current reporting timeline is ill-suited to carrying out the task, satisfactorily. Our teams are usually occupied in June-July in preparing for the close of the financial year and most of our relevant information – from projects run through the year - isn't finalized by end of July.

We want to align our internal reporting cycle with the COP deadline, so we can share a full scope of our efforts, carried out throughout the year. For this reason, we'd like to request our COP deadline to be adjusted to September 15th, 2022.

Thank you.

Sincerely yours,

Mr. Mobeen Ahmed Chughtai
