Dear Mr. Secretary-General,

I am pleased to confirm that Prometeon Tyre Group reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, Prometeon Tyre Group describes actions in order to continually improve the integration of the Global Compact and its principles into its business strategy, culture and daily operations.

What Sustainability means at Prometeon Tyre Group: ***“The development that meets the present need without compromising the capacities of future generations”***.

Roberto Righi, General Manager of Prometeon Tyre Group stated that: *“Over the next few years we will be focusing on balancing technological development and sustainability, understood as meaning respect both for the environment and for all the communities and people with whom the company works on a day-to-day basis. With the initiatives set in motion since 2021, PTG is ready to continue its sustainable growth journey.”*

The Company understands clearly threats posed by climate change, an undeniable fact of the contemporary world with a high potential to lead to abrupt changes in ecosystems. Determined to take a proactive role in struggle to stop climate change, Prometeon Tyre Group is committed to strive for actions with concrete results within its business activities all along its value chain, aimed at achieving product life circularity. With this aim in mind the Company conducts continuous research & development activities on innovative materials and cooperates with external parties to carry out ESG assessment to improve constantly its Corporate Social Responsibility.

Prometeon Tyre Group explores the Sustainable Management Model with governance tools to support maintenance and creation of values, relationships with Stakeholders and related connection with the development of financial, productive, intellectual, human, natural, social and relational capitals. By incorporating the Ten Principles of the UNGC into strategies, policies and procedures, and establishing a culture of integrity Prometeon Tyre Group is not only upholding its basic responsibilities to people and planet, but also setting the stage for long-term success.

Starting from September 2020 Prometeon Tyre Group became formally a Founder Member of the United Nations Global Compact Network Italy. With this new status, Prometeon Tyre Group is committed to contribute to the realization of the Foundation's goals participating to the institutional life implementing the planned initiatives.

As a company of which corporate ethics foundations are laid down by the very being and protection of human rights, within the current conflict "Russia / Ukraine", Prometeon Tyre Group endeavors to offer its best possible contribution to the people of Ukraine and supports local initiatives providing for humanitarian aid to persons negatively affected by the conflict.

Sincerely yours,
