

July 6th 2022

To our Stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Since 2018, Enics AG has been a part of the COP report of the main owner of the company, Ahlström Capital. Ahlström Capital has now moved to the new UNGC COP format as an early adopter of the report format, and this requires re-adjustment of the reporting of the individual portfolio companies. This re-adjustment takes additional time and has caused a delay in creating, sharing and posting our COP. However, even currently the commitment of Enics AG to the UNGC principles is reflected in the COP report of Ahlström Capital.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 3rd 2022 at the latest.

Sincerely

Susanna Kohisevankoski
